

General Session Information

SASS is currently led by Kim Sommers (979-480-5013), with help from Darian DeRousse (573-768-0920),

Ben Steffes (573-579-8630) and our newest member, Nikki Difani (573-768-5221).

- We will continue to meet from 3-5pm, except for one of the outings that will end at 4:30. (Details below).
- We will continue with our 2 incentives, SASS Cash and Tokens. Each consumer will have their own envelope where they will keep track of and record their own SASS Cash. We will now only have the SASS Store on the last Thursday of the month. They will have to have a certain amount of SASS Cash to be able to go to the SASS Store. They can earn dollars for things like good behavior, listening, completing their jobs, and answering questions during lessons. They can

also lose dollars for being rude to a peer or not listening or following directions. I will let anyone know if your kiddo becomes ineligible to enter the SASS Store.

We will begin a new unit, "Friendship Goals." We will play friendship-themed games and role plays designed to teach communication and conflict resolution, while helping them to develop social and emotional skills, contributing to their self-esteem. Each week, your kiddo will bring home a friendship-themed craft. Our first craft will be Superpower Friendship Necklaces.
